KIND WORDS

“The best thing about planning a wedding at Oceanstone (aside from the staff — more on how amazing they are later) was the fact that the entire property was reserved for our wedding party for two full nights. This allowed us to have a traditional Vietnamese tea ceremony the night before our actual wedding, so we were able to combine both of our cultures together.

We can't thank you enough for the beautiful wedding that you helped us achieve. You did an amazing job organizing and setting up everything! We could not have asked for a better wedding day, and we owe a large part of that to you.”

– Thanh, Love & Sundays
